

Dear Parents of Noddy by Elizabeth Playgroup,

At our school, we believe in 2-way communication and parent engagement to make our children grow happily and confidently. As digital technology has evolved, we regularly take photographs, videos and/or audio recordings to share with you the learning environment and experiences of your children at school transparently through various digital public channels (such as Line Group, Facebook, Website, etc.) to get connected faster and more frequently.

As Thailand's Personal Data Protection Act (PDPA) has come into effect on 1st June 2022, we would like to ask for your consent if you agree to have your child and his/her work presence recorded and shared in our school's media channels, on-site display, publications or other 3rd-party public media channels that we may use to communicate publicly about the school.

Child/Children Name and Class:

I hereby give consent for my child and his/her work presence in media channels that Noddy by Elizabeth Playgroup will use to communicate publicly about the school.

I agree

I disagree
